SUMMARY

I am a passionate and dedicated programmer with a strong understanding of web development. I have experience working with HTML, CSS, JavaScript, and Next.js to build modern, responsive, and user-friendly web applications. I am familiar with developing website interfaces, implementing functionality, and creating efficient solutions to meet user needs. I am a fast learner, detail-oriented, and always eager to improve my technical skills and learn new technologies. I am highly motivated to contribute to a professional team and deliver high-quality results.
